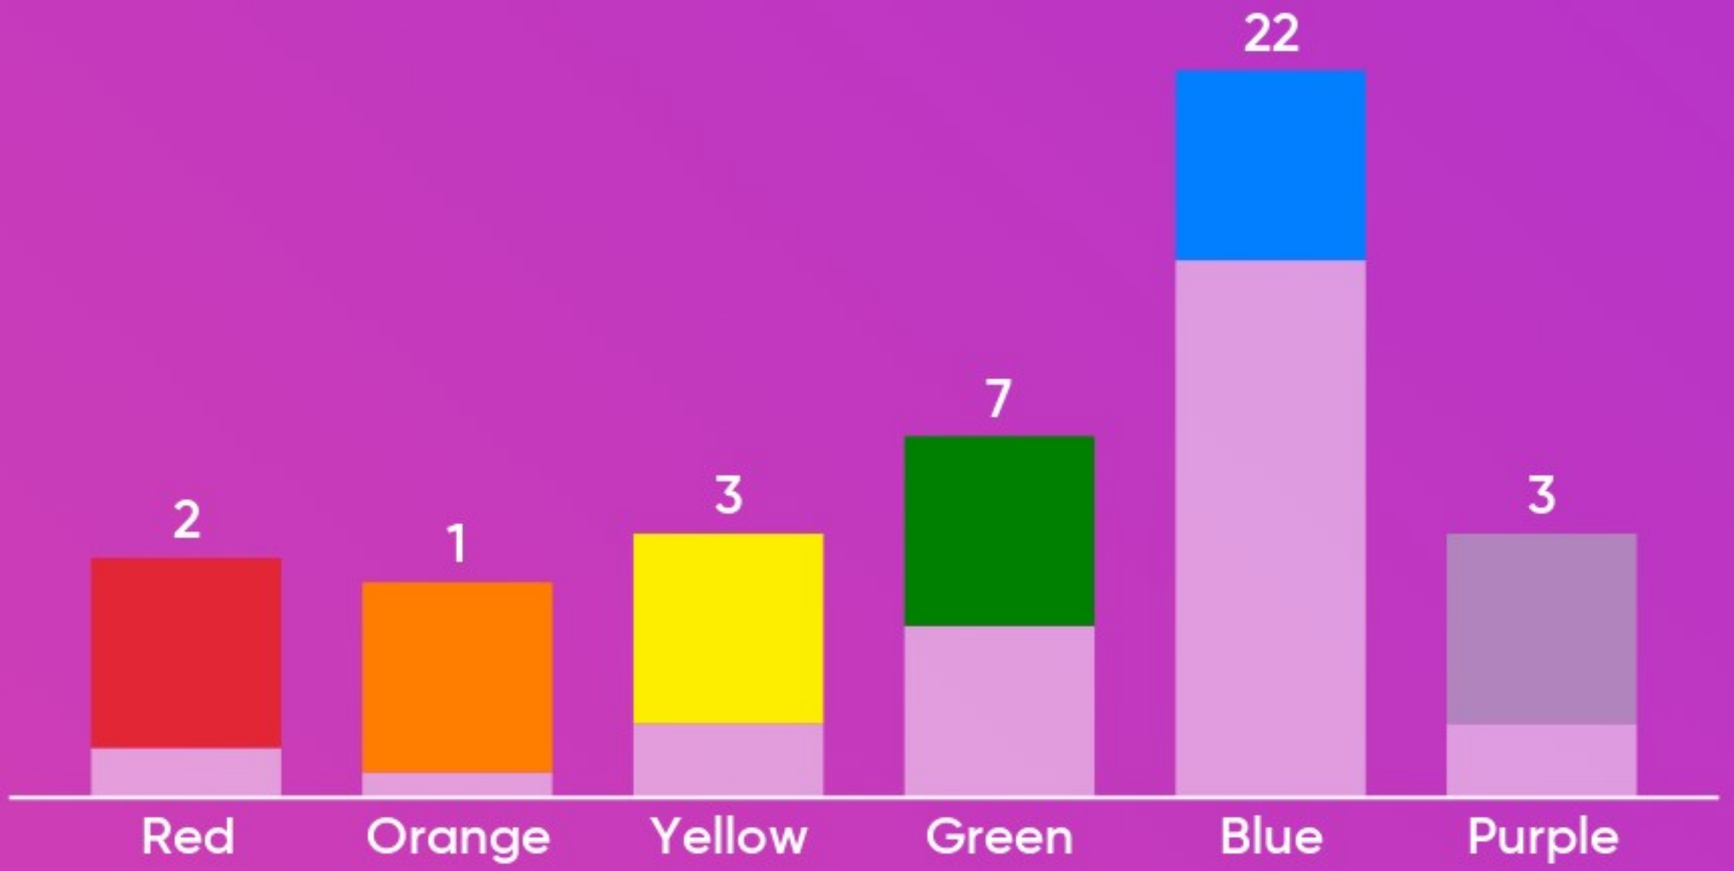
NJ STIC Breakout Sessions: An Interactive Polling Exercise

Which color do you like the best?

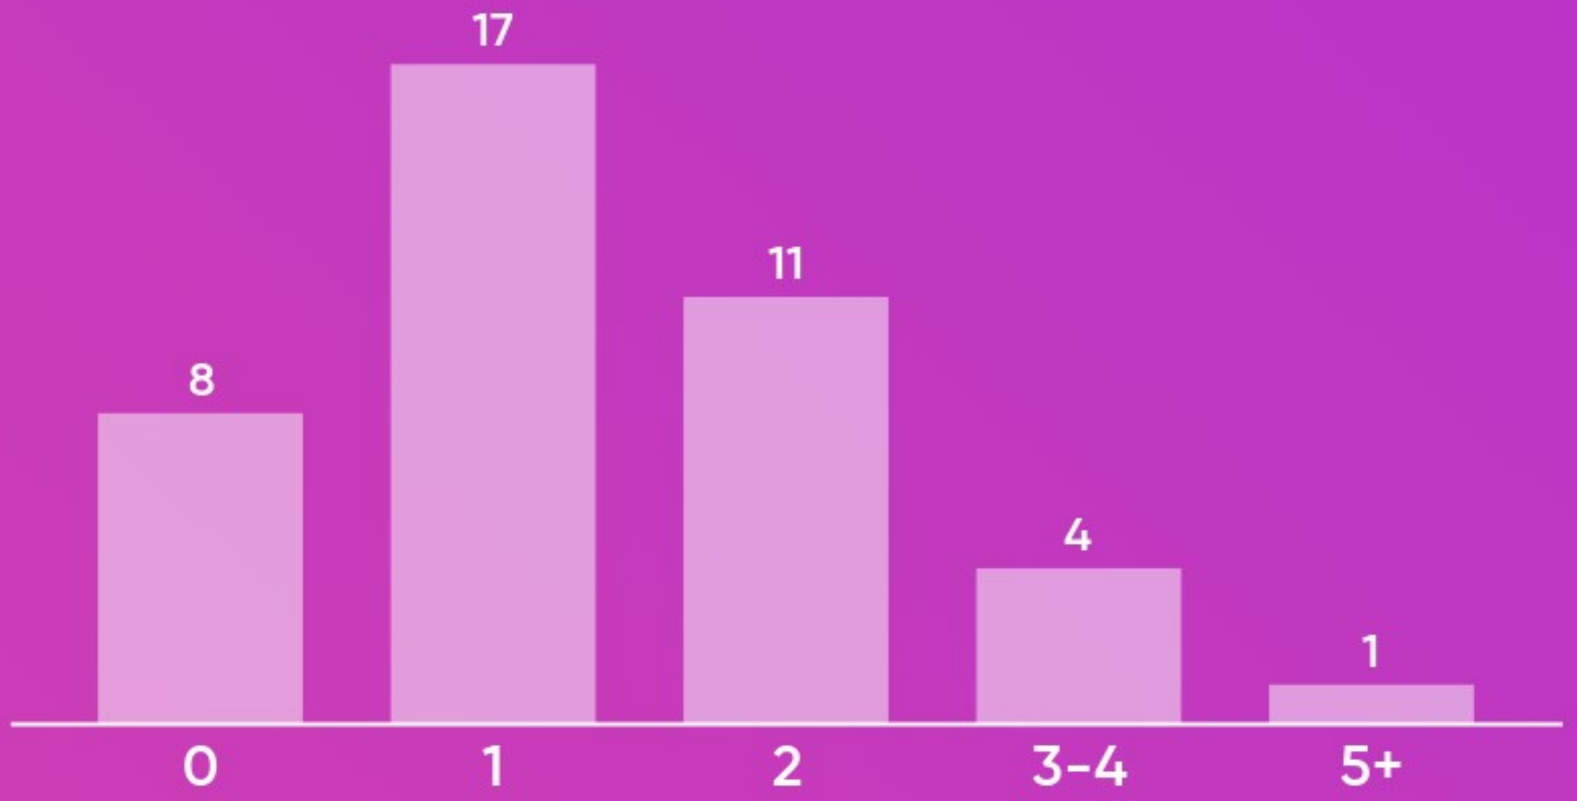
Mentimeter



38

How many cups of coffee / tea did you have this morning?

Mentimeter



41

What month were you born?

Mentimeter

January

February

March

April

May

June

July

August

September

October

November

December

41

Which agency type do you represent?

Mentimeter

3
FHWA

22
NJDOT

11
MPO

2
Academia

2
Industry

1
County

1
Municipal

0
Other

42

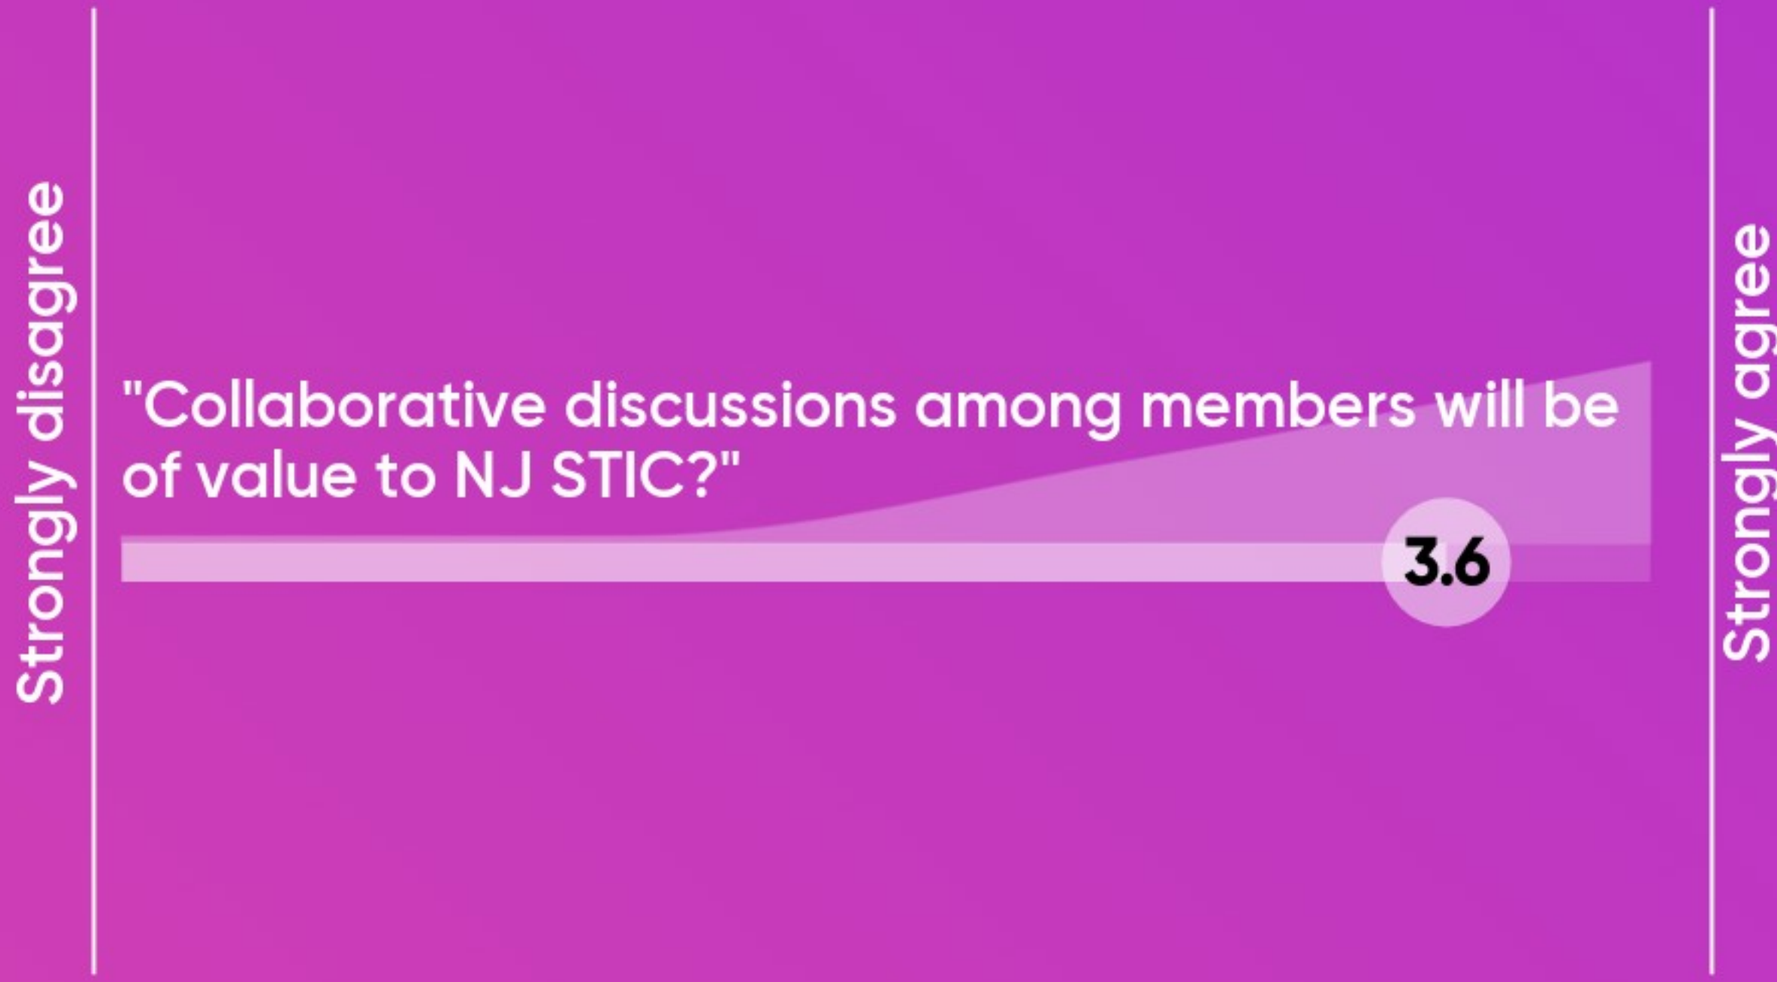
How many years have you been a member of NJ STIC?

Mentimeter

42

Do you agree with the following statement?

Mentimeter



43

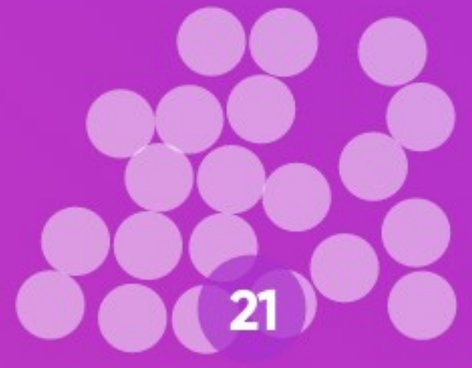
Which EDC-5 initiatives should we discuss in a breakout session?

Mentimeter

Advanced Geotechnical Exploration Methods (A-GaME)

Collaborative Hydraulics (CHANGE)

Project Bundling (PB)



Reducing Rural Roadway Departures (RwD)

Safe Transportation for Every Pedestrian (STEP)

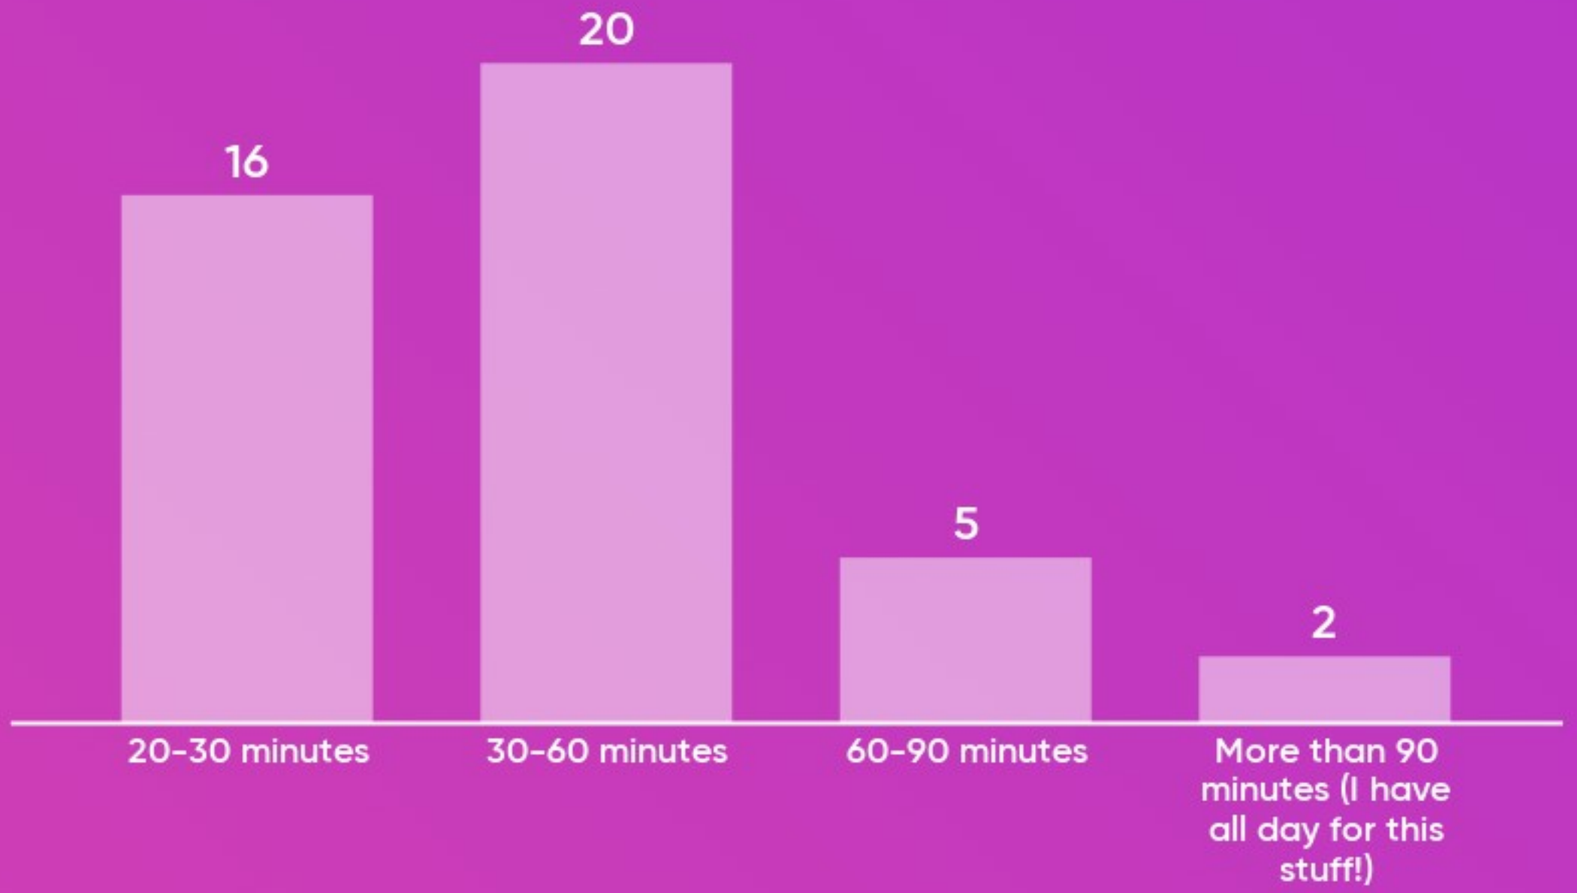
Crowdsourcing to Advance Operations (CAO)

Weather-Responsive Management Strategies (WRMS)

42

What duration do you think is appropriate to dedicate to a breakout session?

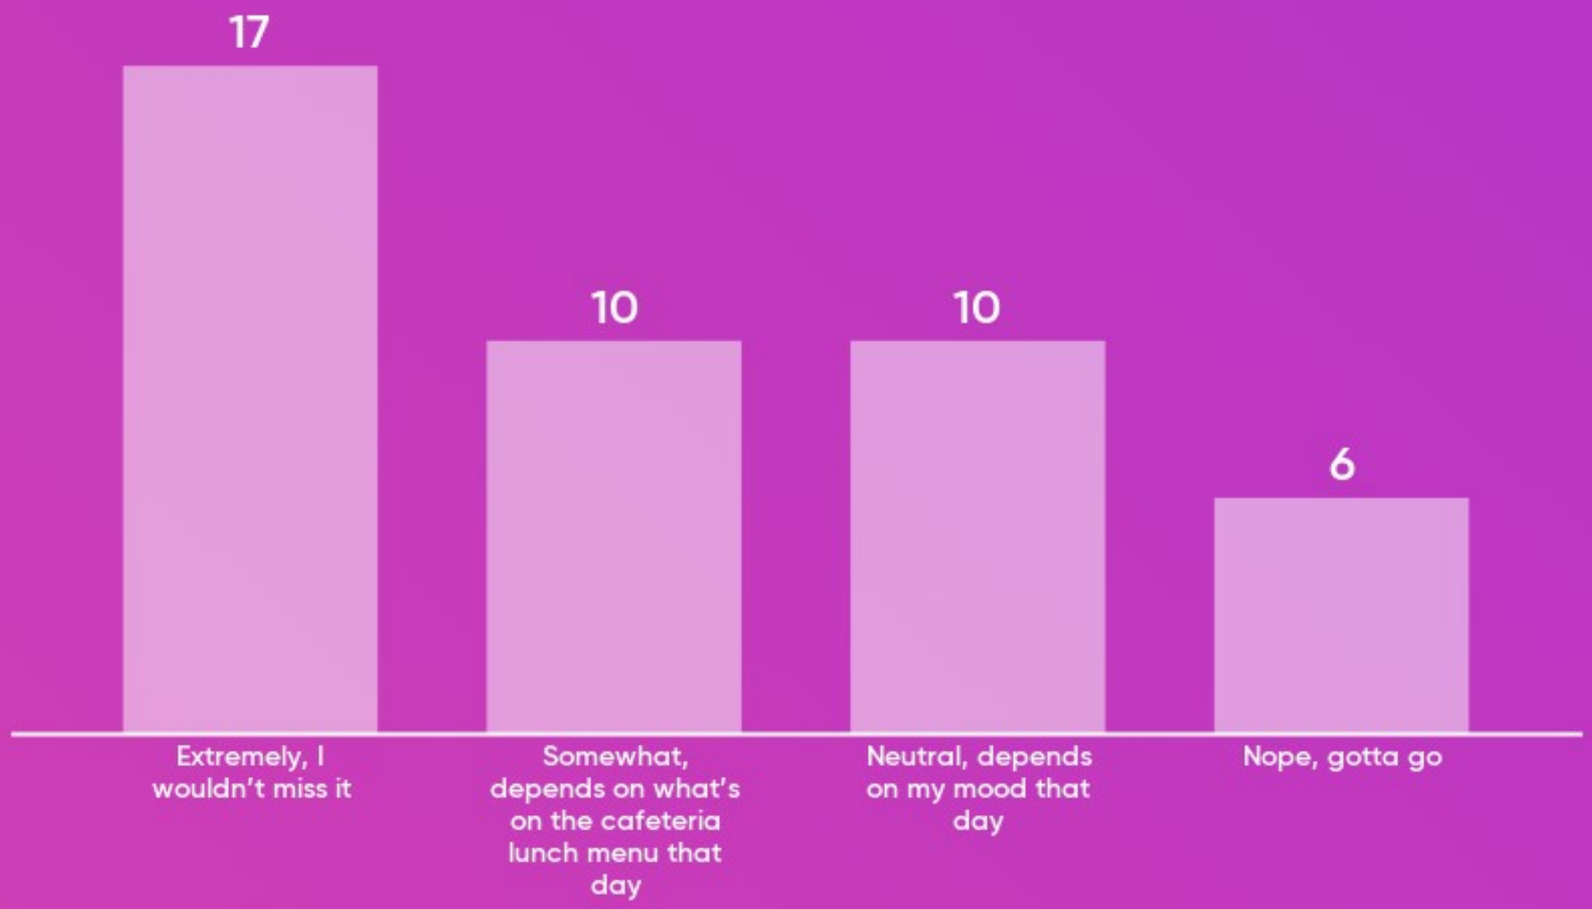
Mentimeter



43

How likely are you to attend a breakout session on the same day as our normal Quarterly meeting?

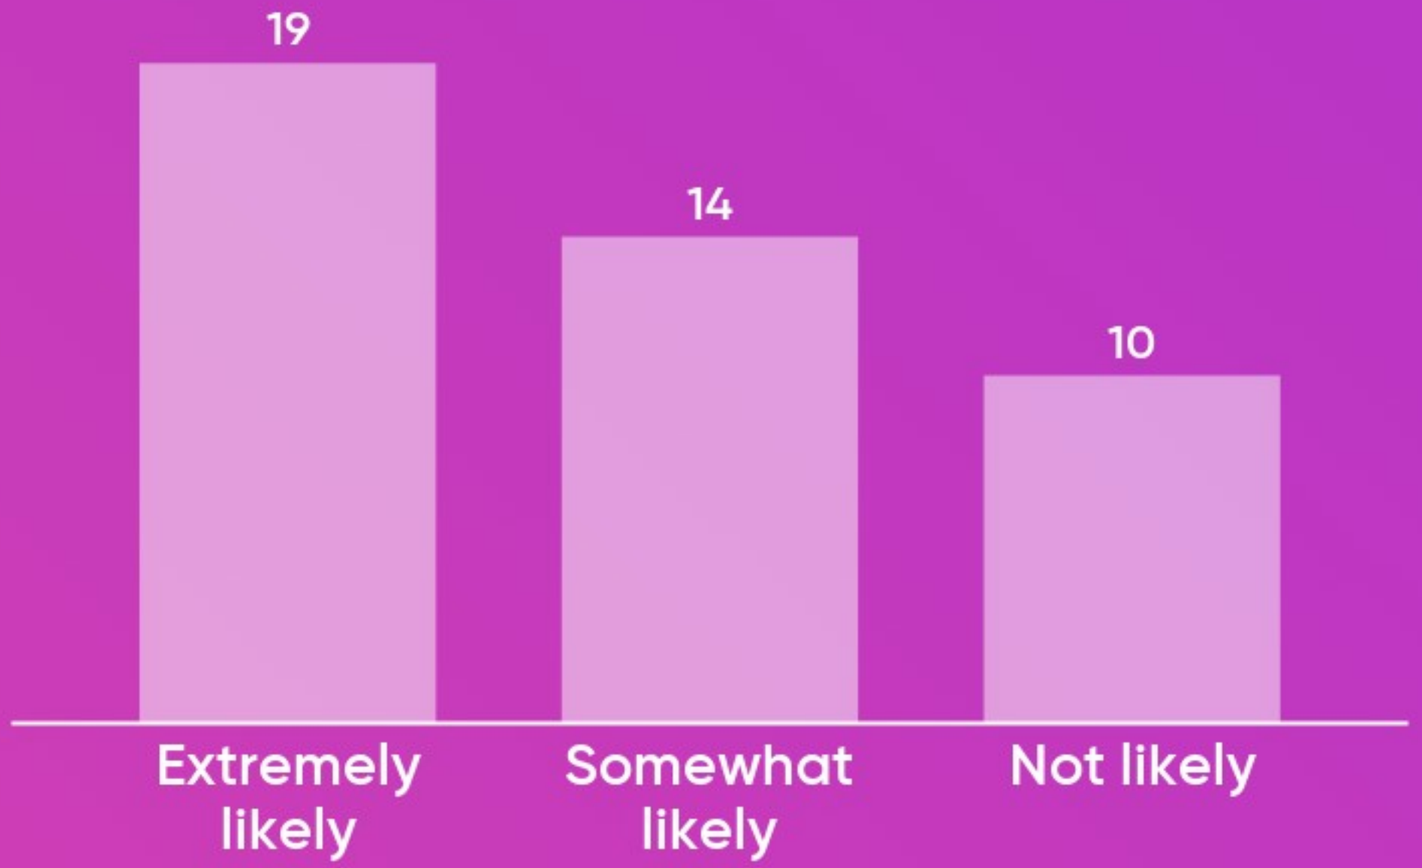
Mentimeter



43

How likely are you to invite additional staff to participate in a breakout session?

Mentimeter



43

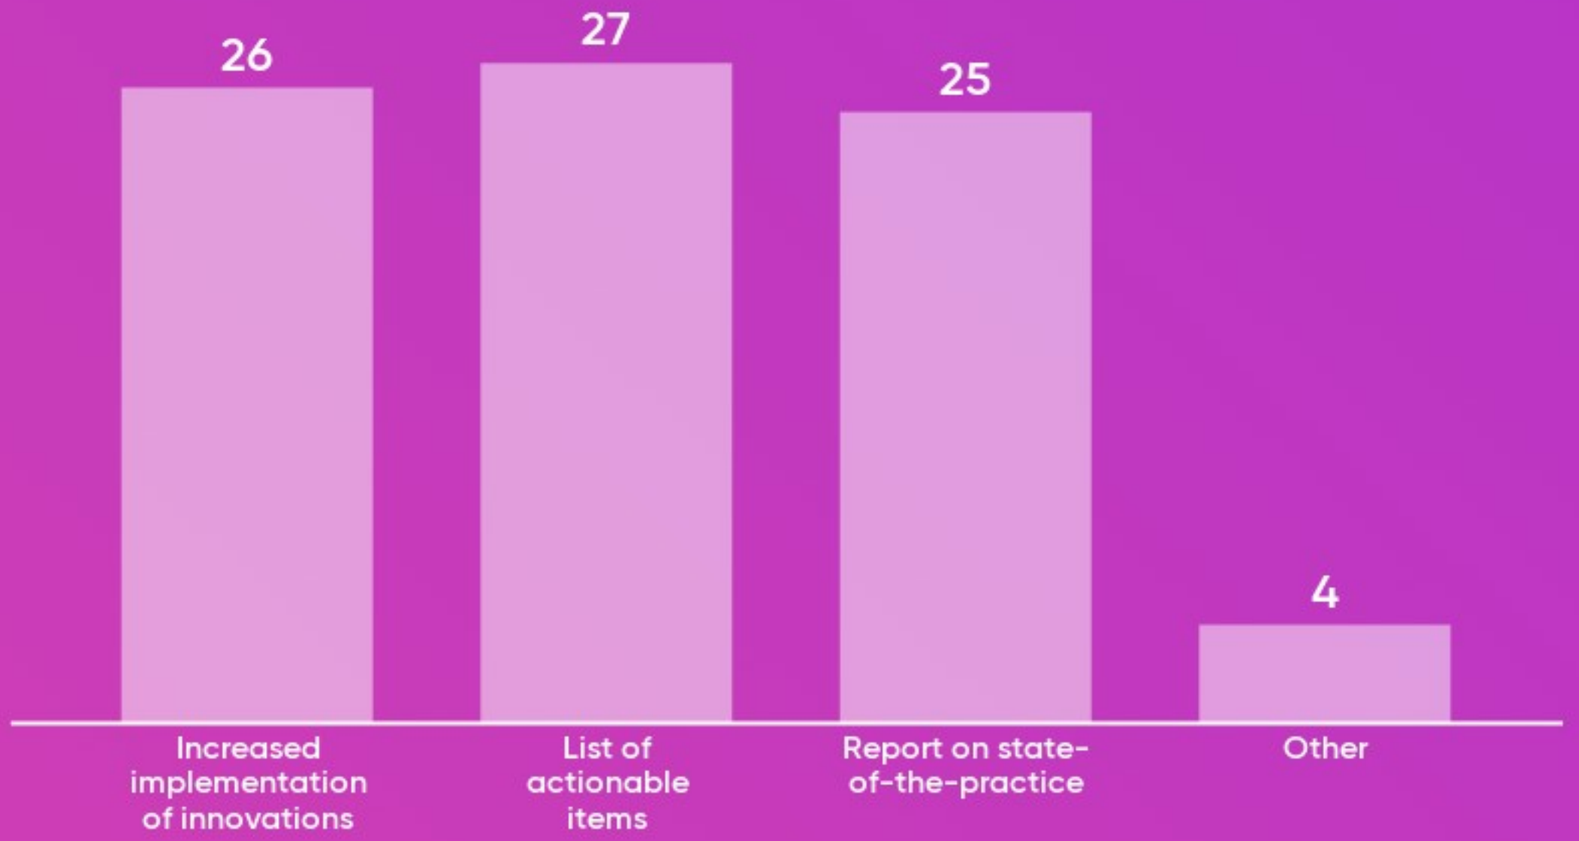
What size group would be ideal for meaningful discussions?

Mentimeter

43

What type of outcome do you expect from a breakout session?

Mentimeter



43

What question(s) should be asked in a breakout session?

Mentimeter

What are you doing to implement this initiative?

Timeline for actions

What is the goal?

Is funding available for municipal implementation?

What sort of technology should we discuss? How to implement it?

What is the purpose of the break out session?

What are organizations doing in this area?

Example of projects and what's the takeaway.

How can you and your staff implement best practice?

33

What question(s) should be asked in a breakout session?

Mentimeter

What barriers are there to implement ling the initiatives?

What to do?

Where is it being implemented?

How many have used this imnovation?

How to do it and why?

How is the performance of the action item being evaluated

What can help with implementation?

Is additional funding available?

How is there initiative meeting or exceeding EDC requirements?

33

What question(s) should be asked in a breakout session?

Mentimeter

Can these be done virtually?

Champions of innovation

Challenges/Lessons Learned

How should we show results of implementing this?

Lessons Learned? Strategies? Obstacles? Impact of deliverables?

Who is doing this initiative well?

What role can you play to advance this initiative

What is your experience with the initiative?

What was The most important thing you learned from the Innovacion?

33

What question(s) should be asked in a breakout session?

Mentimeter

What are other people and States and mpos doing?

What do you need to implement this more/better?

What steps did you take in implementing?

What's for lunch?

When's lunch?

What specifically about this project or topic is innovative and how could this be replicated elsewhere?

33

Would you be willing to be a facilitator/notetaker/timekeeper during a breakout session?

Mentimeter

Yes, facilitator

Yes, notetaker

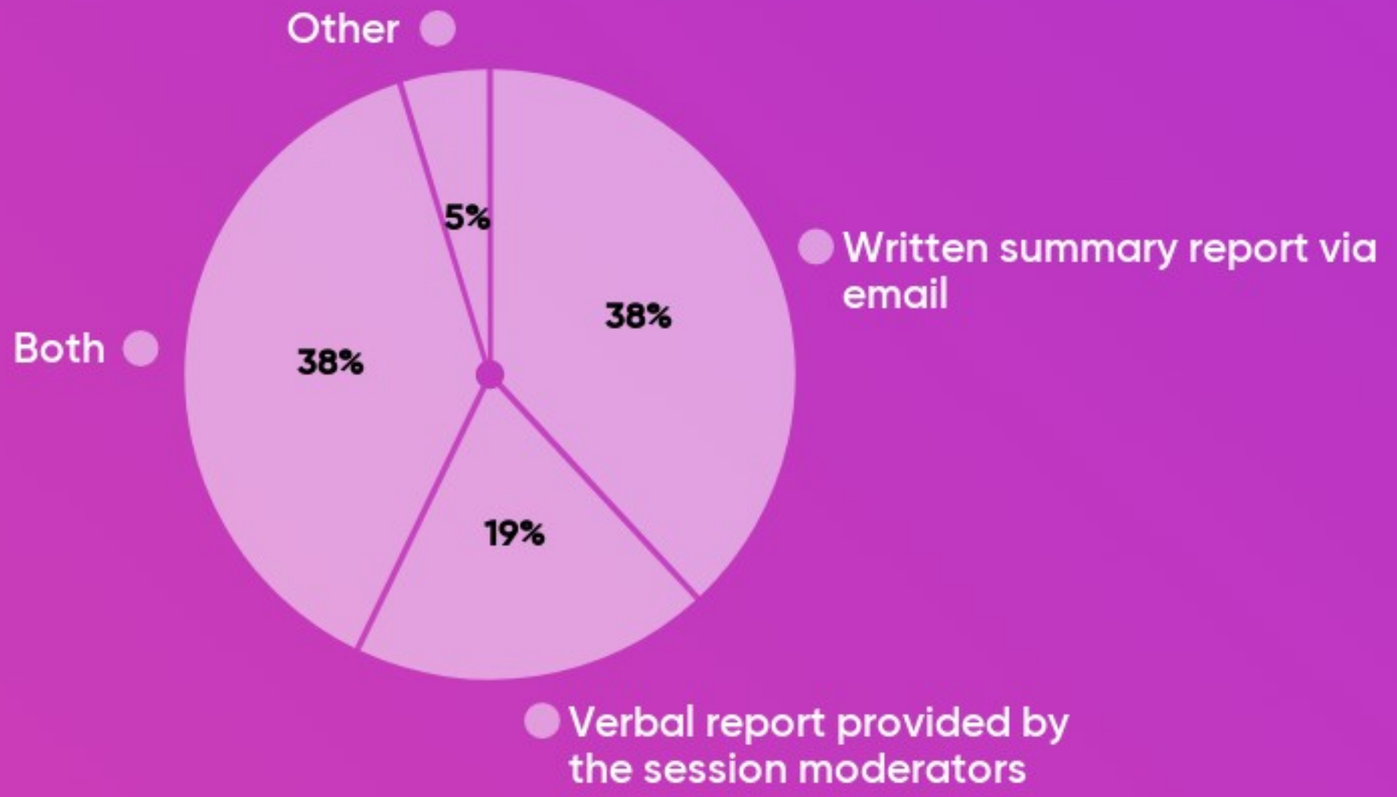
Yes, timekeeper

Nope

39

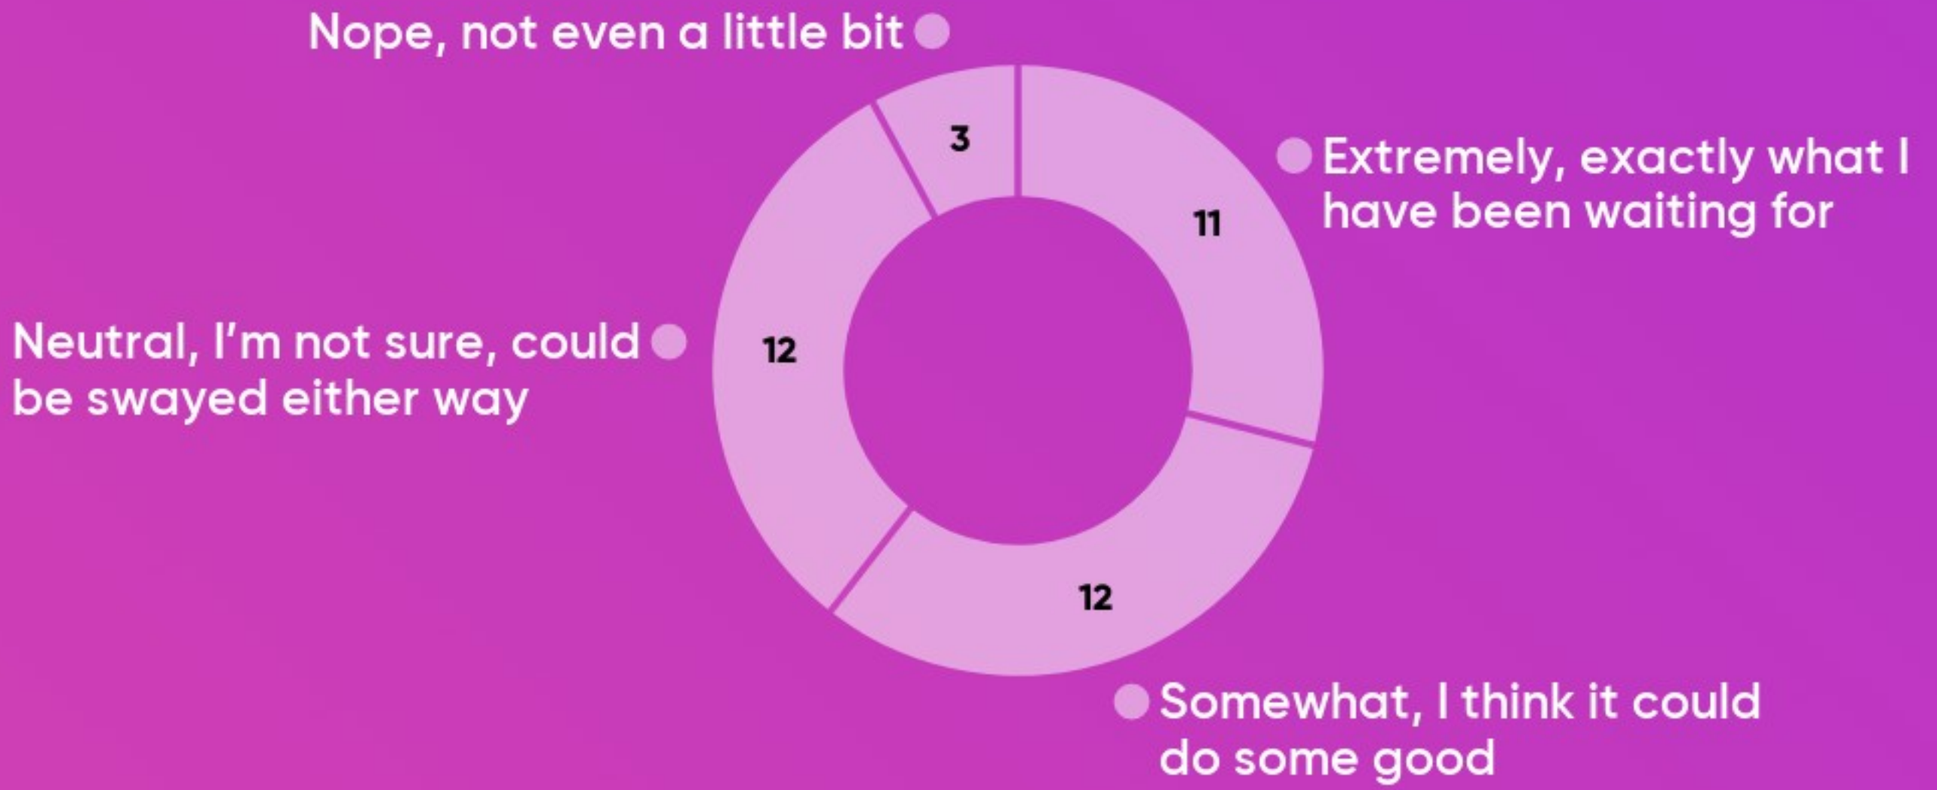
What format would you prefer to report the results of the breakout session?

Mentimeter



How interested would you be in participating in breakout sessions?

Mentimeter



38
