

# WARM UP QUESTION 1: What one word comes to mind when you hear the word innovation? (enter up to three)

# WARM UP QUESTION 2: How many coffees do you drink each day?

# National STIC Network Meeting

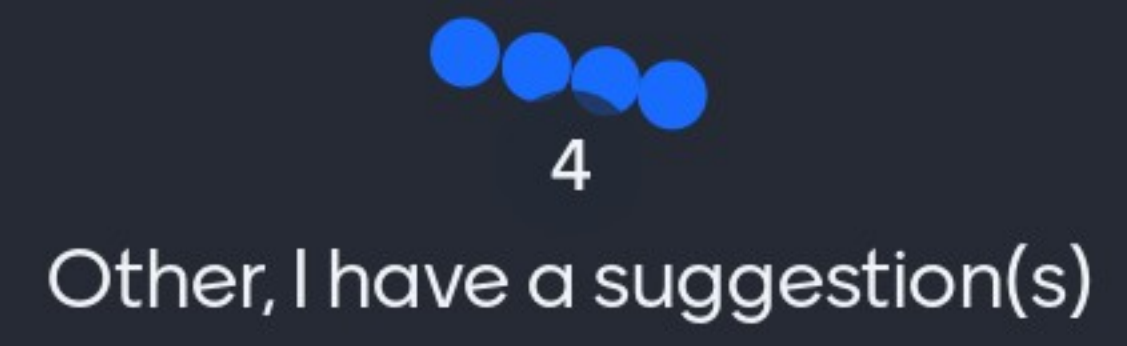

June 1, 2022 -- 2:00pm

# Possible Topics

- Virtual NJ STIC Quarterly Meetings
- NJ STIC Communications Plan
- Virtual Public Involvement
- Other?

# Which topic do you think the NJ STIC should present to the National STIC Network?

# What other NJ STIC innovative topics do you suggest we present?

Traffic safety

None. Those topics are great!

Specific innovations that NJ has worked on

Design build

Weather ready response

Coordination with other states

Prior successes in NJ if the STIC council members have changed

Best practices and lessons learned

NJ Commercial vehicle alerts

# What other NJ STIC innovative topics do you suggest we present?

Mobility

Machine learning

Project Management Information System Expansion

Successful projects

Traffic Safety

Digital inspections

Best practices

Examples of process have

Weather Savvy Grants

# What other NJ STIC innovative topics do you suggest we present?

2 ideas: 1. A combined traffic operations innovation presentation. 2. Trenton MOVES

STEP

Drones

Data Science

Best practices

UAS Program initiatives

Data Business Plans

Pavement preservation

Collaboration amongst group

# What other NJ STIC innovative topics do you suggest we present?

Traffic calming measures and traffic safety

Green Infrastructure
