- 2:00 - 2:45 **Feature Presentation: SJTPO Innovative Approaches to Traffic Safety Education**

SJTPO has offered a robust series of programs to teach the public about traffic safety. These programs are designed to bring awareness to the many risks presented to drivers, passengers, bicyclists, and pedestrians on area roadways and teach simple ways to improve safety. The traffic safety programs are designed to target specific age groups such as high school, elementary, and middle school students, adults, vulnerable older drivers, or more generally all drivers. SJTPO staff will present an overview of the programs offered and the innovative approaches that are employed.

Guest Speakers: Jennifer Marandino, SJTPO Executive Director, Wayne Shelton, SJTPO Traffic Safety Specialist, Robert Clarke, SJTPO Traffic Safety Specialist

- 2:45 – 3:00 **Reminders & Announcements**

Adjourn
