FHWA Resources

Center for Accelerating Innovation

Types of resources available:

- Funding opportunities
- National databases of innovative accomplishments
- Regulations and requirements for programs
- Multimedia
- Upcoming events

The screenshot shows the official website of the Federal Highway Administration's Center for Accelerating Innovation. The top navigation bar includes the FHWA logo, the text "U.S. Department of Transportation Federal Highway Administration", and links for "About", "Programs", "Resources", "Briefing Room", "Contact", and "Search FHWA". Social media icons for Facebook, YouTube, Twitter, LinkedIn, and Instagram are also present. Below this is a dark blue banner with the text "Center for Accelerating Innovation" and a search bar labeled "Search Accelerating Innovation". The main content area features a breadcrumb trail: "FHWA Home / OIPD / Accelerating Innovation / Every Day Counts". A secondary navigation bar contains links for "CAI Home", "Every Day Counts" (which is highlighted), "STIC Network", "AID Demonstration", "AMR Program", and "Resources". The central focus is the "Every Day Counts" program, with the tagline "Innovation for a Nation on the Move". It describes the program as a state-based model for identifying and deploying proven innovations to save time, money, and resources. A link "Learn more about Every Day Counts >>" is provided. Below this, three blue boxes with icons promote "Find Proven Innovations", "Learn from Others", and "Fund Innovation Deployment". The bottom section includes a thumbnail for the "Goals Set for New Innovations" baseline report, a link to "View Baseline Report", and a list of "EDC Rounds" from 2017-2018 to 2023-2024.

Every Day Counts
Innovation for a Nation on the Move

A State-based model that identifies and deploys proven, yet underutilized innovations — saving time, money and resources that can be used to deliver more projects.
